ADDENDUM NO. THREE

Date: June 28, 2013

ITB No. 13-0604

**ITB Title: Green Mountain Scenic Byway Northshore Overlook and Trailhead
Project No. 2012080006, Bid No. 13-0604**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. **Receipt of this addendum shall be acknowledged by the bidder by signing and dating the appropriate line on page W-5 of the bid proposal.** Failure to acknowledge each addendum may prevent the bid from being considered for award.

This addendum **does not** change the date for receipt of bids or proposals.

The following information is provided in response to vendor inquiries received after issuance of addenda one and two.

Question 2: In speaking with FDOT about prequalification for this project they said that, for projects that involved buildings, Certified General Contractors are exempt. Please review this with FDOT contract administration and let me know if there is any reason not to agree with this rule. I spoke with a representative at the contract administration office in Tallahassee.

Answer 2: The latest information obtained from FDOT indicates that this project is not an on-system project; therefore, contractors are not required to be prequalified to submit a bid for the project.

Question 3: Does this project require Davis-Bacon prevailing wages or certified payrolls?

Answer 3: We have confirmed with FDOT that Davis Bacon prevailing wages and certified payrolls are not required for this project.
